To whom it may concern:

I am thrilled and privileged to write about Dr. Kenneth Akey.

As the current Chair of the St. Joseph Hospital Foundation Board of Directors and having been intimately involved with St. Joseph Hospital and physicians in Orange County for over a decade, I have no hesitation in saying that Dr. Akey is an invaluable asset to his profession and a blessing to our entire Orange County community.

I have known Kenneth Akey for nearly 13 years. He has been our family's pediatrician since our first born. My wife Suzanne and I have nothing but respect and admiration for Kenneth. Our 13 year old son and 11 year old daughter love him.

I have lost count of the occasions I've connected with other parents while discussing our families and our pediatricians by expressing our common love of Dr. Akey. What is perhaps even more telling is how frequently I have had the same conversation with other physicians!

Kenneth has a tireless work ethic, a sincere and compassionate heart, and a genuine and deep respect for all people. His patience, seemingly boundless energy and enthusiasm, and uncanny ability to connect with people is remarkable and a joy to witness.

I have nothing but the highest respect and praise for Ken as a person and as a physician.

Sincerely,

Jim Gilmore
